Subject: **Proposed New Community Culture Statement**

Dear **Brothers and Sisters in Christ,**

The Peace and Love of our Lord Jesus Christ is with you all!

After 25 years of existence, there is a need to revisit the BLD Community Values, Norms and Culture guided by the new BLD Vision and Mission. A VNC (Values, Norms and Culture) Task Force was organized by the ECSL to initiate the review and validate their relevance, clarity, doability and what really makes us BLD.

In this regard, we are initially submitting to you the attached Proposed New Community Culture Statement (Attachment A). This is a product of review done by the Culture Review group composed of:

- Eliong and Leah Sison - ECSL for Evangelization
- Richard dela Fuente - DSL BLD Newark District Cluster
- Roger Santiago - BLD Newark DCS for Pastoral

We thank them for their diligence and their efforts. We also attach Section 6 of the COC – Community Culture (Attachment B) for comparison and reference. Also attached is the Guideline in Updating the BLD Community VNC (Attachment C).

Please review the proposal and submit to us your consolidated District comments and/or suggestions no later than August 23, 2011. Kindly discuss this with your membership in one of your WSC sessions. In your review of the proposed Community Culture Statement, kindly consider the following aspects: 1) Relevance given the new Vision and Mission, 2) Clarity and ease of understanding by ordinary members, and 3) "Doability"

We appreciate your participation in this review as we are hopeful for a Culture Statement that truly reflects the BLD spirit and vision. The proposed new Community Norms and Values will be coming your way shortly.

In Christ,

For the Executive Council of Servant Leaders
